Hi Jim and Joe:

I think it is important for someone to correct/clarify the second bullet into a couple of very unambiguous sentences. We need to be very clear about Safetee-lu requirements, their decision to conduct a separate AA and the need for another scoping meeting. Please send your comments to Donna and she will consolidate them into a tidy package for submission to DTS next Friday. I will be out until Thursday.

Thank you, Ray

Hi Everyone -

Attached are the meeting minutes to the discussion held on Tuesday, March 28, 2006. Please advise if you have any comments/corrections. If I receive no comments within 5 days, these minutes will be deemed final.

Thanks,
